Walter I. Scott Is Made Marshal; Peterson Retained

Village Board Gets Petition On Sewer, Water from Orchard St.

Walter I. Scott, of 406 Second st., was appointed village marshal by President George B. Bartlett in a special meeting of the village board Monday evening.

He takes the place of Fred Peterson, who was made meter reader, and adds a member to the police force. Scott is also utilities superintendent.

Peterson, who served for many years as marshal, has been in poor health and with his advancing years is considered unable to handle cases where violence is involved. He is well enough however, to check the parking meters, and members of the village board were anxious to retain him on the force in some capacity.

S. E. Burnette is the other patrolman, and William Thiemann of the street department is a reserve officer.

Property owners of Hillside and Orchard sts., were present in submitting in which all agree to place cash in escrow for the cost of new sewer and water mains on those streets and there will be no special assessment. Charles N. Ackerman agreed to provide an extra 20-foot width for the street in front of his extension of Orchard st.

A special meeting will be held next Monday night when plans for the utilities will be submitted by the engineer and bids thereafter will be sought.

Burgess Battery Co. Moving to Freeport; Was Here 4 Years

The Burgess Battery Co., this week made its formal announcement of discontinuing its plant here. The work of dismantling and moving equipment is in process and it is expected that it will be completed this month. The plant was started here in 1945.

In announcing the move, the company stressed the fact that the nature of the operations at the Antioch plant necessitated the move. Since the close of the war, the Antioch plant has been primarily engaged in development of new battery types and pilot-scale production. The management now considers it expedient to transfer these operations to Freeport where they can be integrated into other research and engineering activities of the company. Space and personnel to make the move possible have only become available recently.

New installations have been made at the Burgess plant in Freeport to accommodate the work from Antioch. Work on a small scale is already under way there, and it is expected to be in full swing within the next few weeks.

Some of the personnel is moving to Freeport to continue their work. Included in this group are Leonard J. Gordon, Ivan C. Blake, and Bernard J. Sturm, all of the engineering department. Others including Daniel J. Beneman, who was plant foreman, J. B. Mullen, who was manager, and Al Annis of the engineering department will continue working for Burgess at Lake Zurich, where the company has its Handicraft Division plant and a development laboratory.

The company has no plans for future of the building, and the management has expressed the hope that it will be taken over by another manufacturer who can make use of the excellent workers available in Antioch. The building covers about 8000 square feet on one floor and is well suited for manufacturing operations.

Ball Game Rained Out Last Night; To Be Played Friday

The Sequoit V. F. W. baseball team journeyed to Burlington, Wis., for a game with a Burlington team last night, only to be rained out in a downpour. The team will go to Burlington again on Friday to play the cancelled game. The game Friday will start at 9 o'clock, daylight saving time.

Three Chicago Men Escape Serious In- jury in Freak Crash

Three Chicago youths crashed into the Soo Line viaduct near Lake Villa at 11:45 last night, Wednesday, but all escaped serious injury.

The car, which was driven by Roger Smith of Chicago, swerved in dense smoke which was generated by a freight locomotive of the railroad, and crashed into the cement guard rails on the right hand side of the bridge.

Two passengers, Ed Lemanske, 20, and Thomas Bell, 19, both also of Chicago, were shaken up and bruised about the head. First aid was given by a Lake Villa doctor.

Silver Lake Breaks Vets' Winning Streak With 9-6 Victory Here

The V. F. W.'s winning streak was rudely interrupted Sunday by a revengeful Silver Lake team that came from behind to clip Antioch 9-6. The V. F. W. out hitting their opponents 13-9 took an early lead but Silver Lake players bunched their hits with three walks into three big innings which gave them the game. Faber pitched a fine game for Silver Lake scattering the Antioch hits effectively and issuing only two passes. In addition he pecked two runners off of first base and started a double play, making a self-defense stab of a line drive off the bat of Ray Scott.

Harry Shank and Jim Fields led the losing battle for Antioch. Shank collected two singles, one coming with the bases loaded and driving in two runs. Fields slapped out three singles, scored two runs and played flawlessly afield.

Buck Vander Zee and Krueger headed the Silver Lake offense. Vander Zee singled and then drove in two men with a triple to left center. Krueger collected two walks and lashed a double down the third base line to drive in two runs besides scoring three runs himself.

Antioch got off to a quick two run lead on singles by Fields, a sacrifice by Crandall, a walk to Palenske, a fielders choice and a single by Shank. They picked up another run in the third and one in the fourth but could not hold the invading Wisconsinites.

Dalgaard retired the first nine men to face him but weakened in the fourth to allow two runs as Krueger walked, stole second, took third on Thomes single. Both men scored on Goldewski's sharp triple on the right field line.

In the fifth Silver Lake took a permanent lead combining an error, a fielder's choice and four hits to score three runs. Again in the seventh they bunched two walks with three hits to finish their scoring with a four run spurge.

Antioch rallied after two were out in the ninth to score two runs on consecutive singles by Fields, Crandall and Palenski and it looked like the game might be pulled out of the fire but catcher Johnson made a fine catch of a foul fly, snuffing out the rally.

Next Sunday Antioch again takes to the road as they travel to Pleasant Prairie for a return engagement with Pleasant Prairie.

**Burglars Take Power
Lawn Mower and Tools
From Mapletorpe Store**

James Mapletorpe of the Mapletorpe Service station, 845 Main St., said no trace of the power lawn mower and box of tools stolen from his place Thursday night, July 7, has been obtained.

Someone broke into the station through a rear window in the after part of the night and took the mower, valued at \$145 from a display window and then took a box of mechanics tools valued at \$30.

Discovery of the theft was not made until the proprietor opened the station Friday morning.

The burglar overlooked \$25 in the cash register.

Deputy sheriffs obtained finger prints in an effort to identify the thief.

Richmond Man Killed Under Tractor Friday

Joseph H. Miller, Jr., son of Mrs. Amalia Miller of near Richmond, was instantly killed last Friday morning when a tractor overturned on him while he was cutting grass along highway 12 for the state department. He was attempting to scale a steep bank when the tractor upset with him beneath it.

The funeral service was held Monday.

The father preceded him in death two years ago.

Amateur Softball Tourney At Libertyville Sept. 2-12 Sponsored by Community Club

Libertyville—The Libertyville Community club announced today that the third annual Northeastern Illinois night softball tournament will be staged under the lights at beautiful Memorial Field in Libertyville, Sept. 2-12.

Last season a record entry of over 35 towns sought places in the 22-team classic. The winner was Long Lake and runnerup Arlington Heights. Applications for the tournament should be filed immediately and prior to August 1 with the Libertyville Community club, care of Ralph Giss, Libertyville.

Only 12 inch, uniformed softball teams are eligible and clubs will be permitted to use only players that were on their roster prior to Aug. 6.

After the applications are received the Community club will announce the selections of the teams. A won and lost record should also be enclosed. The tourney is strictly amateur and first and second place winner will be given very large trophies. A small entry fee will be charged.

Memorial Field is a new and modern lighted softball diamond. Adequate seating, press box, loud speaker system and one of the most modern scoreboards are some of the field's features. Over \$5,000.00 in improvements were added the past spring.

Chicago Man Drowns At Channel Lake Beach While Swimming to Raft

Victor W. Koreiva, 30, of 7748 Marilyn ave., Chicago, was drowned while swimming in Channel lake early Wednesday afternoon.

Mr. and Mrs. Koreiva, who were guests at Cole's Lakeview resort, were swimming to a raft in front of the resort about 1:45 p. m. when he suddenly sank just a few feet short of his goal.

The Antioch Rescue squad searched for three hours for the body and finally found it after members moved the raft. Capt. Herman Holbek said that any attempts to revive Koreiva were futile after that length of time. It was believed he suffered an attack of cramps.

The body was brought temporarily to the Strang funeral home and will be removed today to Chicago.

Koreiva's death is the fifteenth in Lake county through drowning this year.

Referendum Called for Disposal of Property of Village Grade School

A transaction by which the Antioch grade school will acquire one regular lot and a triangular plot of ground from the Pickard China Co., in exchange for a triangular plot now unused behind the factory, has necessitated a referendum set for Tuesday, July 26.

The board of education recently acquired the south 50 feet of three lots belonging to A. H. Kaufmann and the two for one exchange from Pickard will complete the territory which the playground will be extended.

The Pickard Co., wants the school property back of its plant for plant expansion. It has not been used by the school because of the precipitation of dust there from the factory.

Law makes it necessary that any disposal of public property be advertised and the property auctioned.

The board approved the transaction Tuesday night and arranged for the legal procedure.

Asks Return of His Share Of Pistakee Lake Resort

Joseph Harold Hedger, Pistakee lake, yesterday asked the Lake County circuit court for an order to make his mother, Mrs. Emily B. Green Loutzenhiser give him back his half share of their lake summer resort.

He also asked an accounting of all profits since last September, when he transferred his half interest to her to keep the property free from possible legal action in a lawsuit against him.

When the prospects for the suit faded she refused to give him back the half interest or to give him the share of the profits. They paid \$8000 for the two building resort in 1946.

Chicago Negro Drowns Fishing in Grass Lake

Although the Antioch Rescue squad applied first aid methods for more than an hour they could not revive Charles Stokes, 34, negro, who drowned Monday on the west shore of Grass lake.

Stokes, a resident of 1526 Christiana ave., Chicago, was fishing with two companions, Joe Darling and Leroy Payne, 2123 W. Roosevelt rd., Chicago and waded out with them to set some lines. When Payne and Darling, busy with their own lines looked up, Stokes had disappeared. He had stepped off into a deep hole.

After pulling him from the water they called the Rescue squad.

The body was taken to the Sokolowski funeral home at Fox Lake and later taken to Chicago. The inquest was held at Fox Lake at 1 p. m. Tuesday.

Stokes was the fourteenth drowning in Lake county this year.

V.F.W. and Auxiliary Open State Meeting at Springfield Tomorrow

Springfield, Ill.—Illinois members of the Veterans of Foreign Wars open their 30th annual convention here Friday, July 15. Antioch will have delegates.

At the same time, the Ladies Auxiliary of the overseas veterans organization will hold its yearly meeting in the state capitol city.

Among important problems affecting the welfare of veterans which VFW officials said would come before the convention are the protection of voting rights of hospitalized veterans, adjusted service compensation for all World War II veterans, creation of a uniform Poppy Day for all veterans' organizations in Illinois, establishment of limiting of veterans benefits to those who actually served in the State Commander Henry L. Warner of Maywood said that more than 2,000 delegates representing the 520 VFW posts throughout the state are expected to register for the convention. An additional 3,000 members to the VFW and its auxiliary are expected by officers of the organization to be on hand for convention festivities over the week-end.

At the opening joint session of the VFW and Auxiliary, Friday morning, Governor Adlai Stevenson will give the address of welcome. Greetings from the national headquarters of the overseas veterans, will be presented by Junior Vice Commander-in-Chief Charles C. Ralls of Seattle.

Business sessions are scheduled to occupy the VFW delegates on Friday afternoon and Saturday morning. On Saturday afternoon, however, the veterans will stage a parade through Springfield's business section. The annual parade has always been one of the highlights of the convention, VFW officers said. A competition of VFW musical units, including bands and drum and bugle corps likewise will be held Saturday and in the evening a patriotic pageant and fireworks exhibit will be presented to the public.

New officers for the next 12 months will be elected by both the VFW and Auxiliary at morning sessions, Sunday, July 17.

Mrs. Mort Hotchkiss, daughter of Mr. and Mrs. V. B. Felter of Lake Catherine, was recently chosen as one of the honor students at Knox College, Galesburg.

New Math Teacher and Coach Will Be Employed at H. S.

The Board of Education of Antioch Township high school was unanimous in its decision to offer a contract to Richard B. Scott, Kirkwood, Illinois teacher.

Scott has indicated that he will accept the contract, and it seems assured that he will be a member of the faculty for the coming year. His duties, as outlined by T. R. Birkhead, principal at the school, will include teaching of science and mathematics, and coaching of the varsity basketball and baseball teams.

Maurice K. Kruzan, present coach of these two sports will remain as head of the athletic department, and will coach the football and track teams. The second teams in track and football will still be handled by Warren Polley.

Scott is originally an Evanston boy, and was a baseball star and captain of the team at Iowa State Teachers' college, Ames, Iowa, where he received most of his education. He has a B. E. degree awarded at Macomb, Ill., and has most of the work finished for his Master's degree. He is married and has one son.

Betty Jean McDougall Chosen from County for 4-H Leadership Camp

Betty Jean McDougall, daughter of Mr. and Mrs. E. J. McDougall, Rte. 173, is one of four Lake county 4-H members to attend the annual State 4-H Leadership camp at Lake Bloomington July 25 through 29.

Lake county is privileged to send two boys and two girls each year to this camp, selecting their outstanding members.

Betty Jean is a member of the Antioch Aces club and is also junior leader this year. She consistently has been a winner in county and state dress revues. She will be a senior in the Antioch Township High school starting in September.

The other three chosen for the camp are Dolores Naffziger, daughter of Mr. and Mrs. Clarence Naffziger of near Zion; Elwood Knigge, Mundelein; and Jack Murrie, Zion.

Mrs. Robert Murrie, chairman of the Home Economics County committee will accompany the four as a counselor.

Ravenglen Farms and Wegeners Win Honors In Holstein Exhibit

Ravenglen Farms of Hickory corners, Lilac Hill Farm of Ingleside, and Sunny Hill Farm, Antioch, are Holstein breeders of the community who were winners at the Black and White Show at Gages Lake Wednesday afternoon.

The show was a district elimination contest in preparation for the regional show at Mooseheart Saturday. The winners there will go to the state fair.

The contests are sponsored by the Illinois Holstein-Friesian Breeders association.

The Elmwood farm at Lake Forest won the grand champion senior yearling male and junior champion female, the senior yearling heifer, two-year-old cow, junior get of sire, junior bull calf, senior bull calf, and senior yearling bull.

The Ravenglen farm of E. H. Ravenscroft rated: best breeders group, best senior get of sire, senior heifer calf, junior yearling bull, besides getting blue ribbons for senior bull calves, senior heifer calf, three aged cows, and junior get of sire.

Henry Wegeners won first with a three-year-old cow, and a four-year old cow, and had blue ribbons in the produce of dam, and aged cow classes.

Sunny Hill Farm, represented by Laurence Armour of Antioch, won many awards for excellence of cattle shown. Sunny Hill walked off with a blue ribbon and best of the calves in the Jr. yearling heifer class; a blue ribbon in the Sr. bull calf competition; blue ribbon on Jr. heifer calf, blue ribbon for best produce of dam, blue ribbon for best get-of-sire, and two blue ribbons in the Sr. yearling heifer class.

Leroy Wegeners was first in boys' showmanship and had a blue ribbon in the two-year old cow class.

The show held in connection with the farm-city picnic drew a large attendance.

Big Difference

Long and expensive runways are necessary for big commercial air liners—but the average landing fee they pay is not much more than you pay for leaving your car in a downtown parking lot. The rest of the cost is borne by the taxpayers.

In proportion to use made of highways, heavy commercial haulers pay only about one-third as much in license fees and gasoline taxes as the ordinary motorist—according to studies made for the State of Illinois. The extra burden of cost is borne by the motorists and the taxpayers.

Commercial users of improved inland rivers and canals pay nothing for the privilege of such use. The cost of improvements—amounting in many cases to hundreds of thousands of dollars a mile—is borne wholly by the taxpayers.

When railroads call attention to such situations, the rejoinder frequently is that this is the same sort of thing which was done for railroads in the early days. Such a statement is based upon misunderstanding of what happened.

The form of public aid most frequently referred to was the grant of lands made by the Federal government to pioneer railroads to help open up the country. Only 8 per cent of the mileage of the railroads of the United States received such Federal land grants—and even as to this 8 per cent, the grants were not gifts. In return for them, the railroads were required to haul government freight, passengers and mail at reduced rates. Before these reductions came to an end in 1946, the railroads had paid to the government in reduced rates almost ten times as much as the original value of the lands granted.

This was an entirely different kind of transaction from the present day expenditures of taxpayers' money for the benefit of some forms of commercial transportation.

Modest Wage

The American meat packing industry is the world's largest food manufacturing enterprise. It is

also highly competitive, with packers in all sections of the country seeking their share of the available meat supply.

In the course of the year, the packers naturally take in a large amount of money. A recent breakdown issued by the American Meat Institute, covering what happens to all that money, will come as a surprise to most of us.

Out of the average sales dollar the farmers who produce the nation's meat receive the lion's share—just under 80 cents. From this cash they must pay out large amounts for stock feed, labor and other operating costs.

The men and women who work for the packers come next, with a cut of 9.6 cents.

Supplies, transportation and miscellaneous costs dip into the remainder of that dollar to the tune of 8.5 cents. Taxes account for 1.1 cents.

After all these bills are paid, one solitary cent is left—and that is the packers' profit.

These figures are based on the packers' 1948 experience. They vary slightly from year to year. But one thing is always true—the profit in meat packing runs to only a fraction of a cent a pound and is so small as not to affect the price charged the consumer. Here is a first class example of how free enterprise, under the compelling force of competition, serves the people for an unbelievably modest wage.

On A Sound Foundation

Lew Hahn, president of the National Retail Dry Goods Association, recently wrote, "We have just lived through an amazing period. No retailer ever before saw such conditions and no man now alive is likely to experience anything approaching them in the future. We have had the seven fat years. The only limitation on increasing volume was the ability to secure merchandise to sell. . . . Even while we enjoyed these remarkable conditions, it must have been quite clear such conditions could not last forever. We knew a readjustment was coming. Now it is here.

"It is a time for optimism—not pessimism! . . . We face the opportunity to build a great and enduring prosperity upon a foundation much more sound than the necessity created by a great war."

What has happened in retailing—as in all other lines—is that scarcity of goods has pretty well been replaced by a wide abundance. The customer, quite naturally, is looking for the best quality, the lowest price, the most attractive displays, the most courteous and helpful service. In our competitive economy, the retailer who does the best job will get the business. The retailer who cannot or will not adjust his thinking to changing times will fail.

Here is a challenge to all retailers, chain and independent, large and small. Economic conditions in this country largely depend on how much money crosses retail counters—mass distribution makes mass production possible. Opportunity always beckons to the good merchant.

The Plotz families had their annual get together on July 4th, at the Charles Martin home on Rt. 21, and more than 40 members were

present from Grayslake, Round Lake, Libertyville, and Gurnee. Carl Plotz, a nephew, who has been in army service in Alaska and was home on furlough after a long absence, was present to enjoy the occasion. Picnic dinner was served on the lawn.

Mrs. Anna Gunnarson, of Venetian Village, is spending a few weeks with relatives in Michigan. Mrs. Clifton Bray and her sister,

Mrs. Virginia Smith, of Buena Pk., were guests of Mrs. Bray's daughter, Mrs. Virginia Whittemore and family at Flossmoor, a few days last week, returning home Wednesday. Mrs. Bray's other daughter, Mrs. Kenneth McNamara and fami-

ly, of Grayslake, were at the Bray home for several days last week.

The Royal Neighbor Officers club held the monthly public card party on Wednesday afternoon this week with Mrs. Walter Selter at her home at Grass Lake and several from here attended.

Sylvester Says:

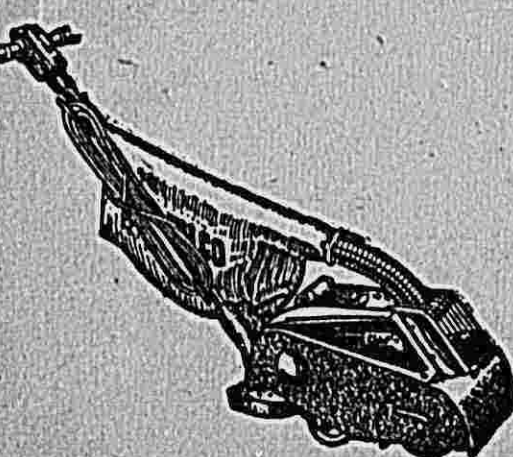

"Lined up, wall to wall, homes built last year would reach farther than from New York to San Francisco to half way to Honolulu in the Pacific."

A U. S. Government survey of the housing situation reveals that the home building industry last year constructed more new homes in less time than were ever constructed in any country. Over 950,000 homes were built during 1948.

For Friends—Roamers— Countrymen—

QUITE literally, it's one car in a thousand—999 other cars take the road for every Estate Wagon Buick turns out.

But it's far more than something exclusive, as you'll soon see when one takes its place in your garage.

For those times, for instance, when house guests arrive—what smarter equipage could you send to the station, what greater comfort, what handier way to manage the luggage problem?

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

And when the Lord and Master yearns for a few days away from it all—what's handier than this nimble gadabout, that lets him fold down a back seat at nightfall and enjoy full-length double-bed sleeping space?

And that place in the country, calling for a car that can go just about everywhere, do just about everything...

That's when you'll go for the ruggedness of this beauty with its steel framing, steel top and springs of durable, service-free coiled steel. That's when you'll go for Dynaflo Drive! too—and the steady, even, fluid pull that takes furrowed fields, rough pastures and narrow back roads with equal, shift-free ease.

*Standard on Roadmaster, optional at extra cost on Super models.

In all truth, this is a star of many roles. Smart and sleek, finished like an express cruiser, it's a standout for style in any parking line-up, a family favorite for its quick readiness to take on any transportation job.

It's a buy, too, like all Buicks—and your dealer is offering pleasantly prompt delivery. Why not see him today about the car that both literally and figuratively is one in a thousand?

British Club Girl Will Visit Lake County 4-H And Home Bureau Clubs

BRITISH CLUB GIRL TO VISIT HERE

Lake County 4-H clubs and Farm and Home Bureau members are looking forward to meeting Miss Elizabeth Wilkinson, of Tarsset, Northumberland, England, who will visit here in August. She is an outstanding club member who is the foreign exchange person for Illinois. Miss Meta Keller, of Streator, Illinois, is the state's outstanding club member who was sent to visit farm homes in Norway this summer.

Miss Wilkinson will make her home with the Clarence Naffziger family of Zion while visiting in Lake County August 1 through the 15. She will return from the State Leadership camp at Bloomington with Delores Naffziger. She is especially interested in seeing how things are done on dairy farms in this area. She will have an opportunity to visit the county fair. Plans are being made for Lake County folks to hear her speak of club work and rural living conditions in England. We know we will learn from her and she will learn from us. Let's all do our best to make her stay here a very happy one!

Lake County Chorus

The Lake County Rural chorus is preparing for several programs in which they will appear in the near future. They held a spirited rehearsal under the direction of their capable director, John Hodge, on July 8. They will meet again in about two weeks at the Farm and Home Bureau hall in Grayslake to put the finishing touches on their numbers for the following performances: July 31—Waukegan News Sun Music Festival, Arlington Farms, Libertyville. Aug. 6, 8:30 p. m. Lake County Fair grounds, Libertyville. Aug. 13, Illinois State fair, grandstand program, Springfield, Ill. Aug. 20, Chicagoland Music Festival.

The public is invited to hear the chorus sing at the County performances on July 31 to August 6.

ANTIOCH ACES ATTEND KEEPING FIT DAY AT GRAYSLAKE

Misses Nancy Sheehan, Sue Birkhead, Doris Petersen and Shirley Nelson, members of the Antioch Aces 4-H club attended the Keeping Fit Day at Grayslake Thursday. The club held its regular meeting at the Scout Home Tuesday. The regular business meeting was held and refreshments served by the girls.

CELEBRATES 7th BIRTHDAY ANNIVERSARY, SUNDAY

Rose Ellen Furlan, daughter of Mr. and Mrs. John Furlan, of Loon Lake Road, celebrated her seventh birthday anniversary with a dinner party Sunday. Those attending were Misses Judy Sheehan, Barbara and Diane Domek, of Antioch, Ronnie and Rose Marie Batko, Roger Shenuk, Joyce Jacobs, all of Bellwood. The Furlans are former residents of Bellwood.

W. S. C. S. BAZAAR AT LAKE VILLA

The ladies of the Women's Society of Christian Service of the Lake Villa Methodist church are sponsoring a card party and luncheon in the Lake Villa gym, July 20, at 12 o'clock noon. There will be a large selection of fancy work including many lovely aprons, rugs, and quilts, also a home bakery sale. A white elephant sale will be held. Everyone welcome to attend the luncheon and remain for the card party and to shop.

Attend State Conference
Mrs. Herman Stich, vice president of the Illinois Home Bureau Federation, and Mrs. Douglas Crooks, County vice president, attended the Federation's Citizenship Conference July 6 to 9. It was held at McMurray College in Jacksonville, Ill. Mrs. Stich assisted with the administration of the conference. Mrs. Crooks attended as a representative of the County H. B. and will be prepared to give a report at county and unit meetings this summer and early fall. Both of these delegates were happy to tell of Lake County's accomplishment during the discussion sessions.

Mrs. Fred Sinclair and daughter, of Cheyenne, Wyoming returned to their home this week after spending several days in Antioch and community. Mrs. Sinclair was formerly Miss Marion Johnson and was a teacher at the Antioch grade school.

Mr. and Mrs. N. E. Sibley and daughter and husband, Mr. and Mrs. Richard Carter, of Dayton, O., left Sunday after spending several days with relatives and friends in Antioch.

NINE ANTIOCH YOUNGSTERS ARE AT CONFERENCE POINT LAKE GENEVA, FOR MEET

Nine young members of the Antioch Methodist Church Intermediate MYF are enjoying a stay at Conference Point, Lake Geneva, Wis. The youngsters from Antioch are Sylvia Beelow, Gretchen Biel, Ruth Birkhead, Mary Ann Nielsen, Bobby Jarnigo, Jimmy Quedenfeldt, Doris Petersen, Charlene Powles and Marlene Wertz.

Mrs. Luster Badger of Antioch, a Counselor at the Camp, reports that the girls from the local church are in the camp choir which sings at the services of worship. The young people usually begin the day by a dip in the lake and then to the chapel for morning worship. After breakfast and a free period they participate in adventure groups where subjects of interest are studied under trained leaders.

In the afternoon the young people enjoy recreation. The evening program includes vespers service on Vesper Hill overlooking the lake. Evening programs also include camp fires, talent night, a cruise on Lake Geneva and other interesting events. The Intermediate Camp will conclude on Sunday afternoon.

MILLBURN UNIT HOME BUREAU TO HOLD ANNUAL PICNIC

Members of the Millburn Unit of Home Bureau will hold their annual picnic Friday, July 15, at the new Grand Ave. Park. It will be pot luck, games and entertainment have been planned by the committee headed by Mrs. O. L. Hollenbeck, assisted by Mesdames Dietrich, Messersmith and Dostalech.

Visitors at the Lake Marie home of Mr. and Mrs. Henry Mau Friday were the Leroy Wilmes family, of Crystal, Minnesota, Mr. and Mrs. Will Roepke, of Kenosha, Wis., Rose King, of Forest Park, and Anna Paasch, of Antioch. Mr. and Mrs. Wilmes and daughter and the Maus spent Monday in Chicago taking in the Fields Museum, Shedd's Aquarium and Lincoln Park. On Monday in company with the Karl Lee family they all enjoyed a family picnic at Bloomfield, near Lake Geneva.

Mr. and Mrs. W. C. Petty and son David left last week for a vacation and trip to Denver, Colo., they will be joined there by their eldest son, Frank, who resides in Los Angeles, Calif.

TWO SERVICES CONTINUE AT METHODIST CHURCH EACH SUNDAY MORNING

Two services, one at 8 o'clock and one at 11 o'clock are observed each Sunday at the Methodist Church in Antioch. At the service on Sunday morning, the minister Rev. G. Richard Tuttle will speak on the subject, "Making Your Life Count". A nursery for small children is maintained at each of the two services. Summer visitors are cordially invited.

HIGH SCHOOL STUDENTS CONSERVATION SCHOOL HERE

Fifty high school students from an equal number of counties in the state arrived at the State Conservation grounds on Fox Lake Sunday for a 12-day course of study in conservation methods. They will have instruction from 30 specialists. The boys and girls won the right to the trip through prize essays on conservation. They are the second group of that number to be trained this summer. Teachers will be the next to come to camp.

CARD OF THANKS

I wish to thank all my friends for their kindness and for the many cards and letters which I received while in the hospital.

HICKORY

Miss Shirley Wells went to Chicago Sunday evening and was a guest of her friend, Mrs. Earle Newton, and they went shopping on Monday.

The Bert Edwards family drove to Freeport, Ill., on Sunday and visited the Harold Edwards family.

Mr. and Mrs. S. J. Handley and daughters, Martha and Ann, took a short sight seeing trip to Springfield on Monday and Tuesday of this week.

S. J. Handley left on Monday to visit his daughter and family at New York.

Mrs. Eva Alling, of Waukegan, visited the Bert Edwards home Thursday evening.

Now Has 45 Children

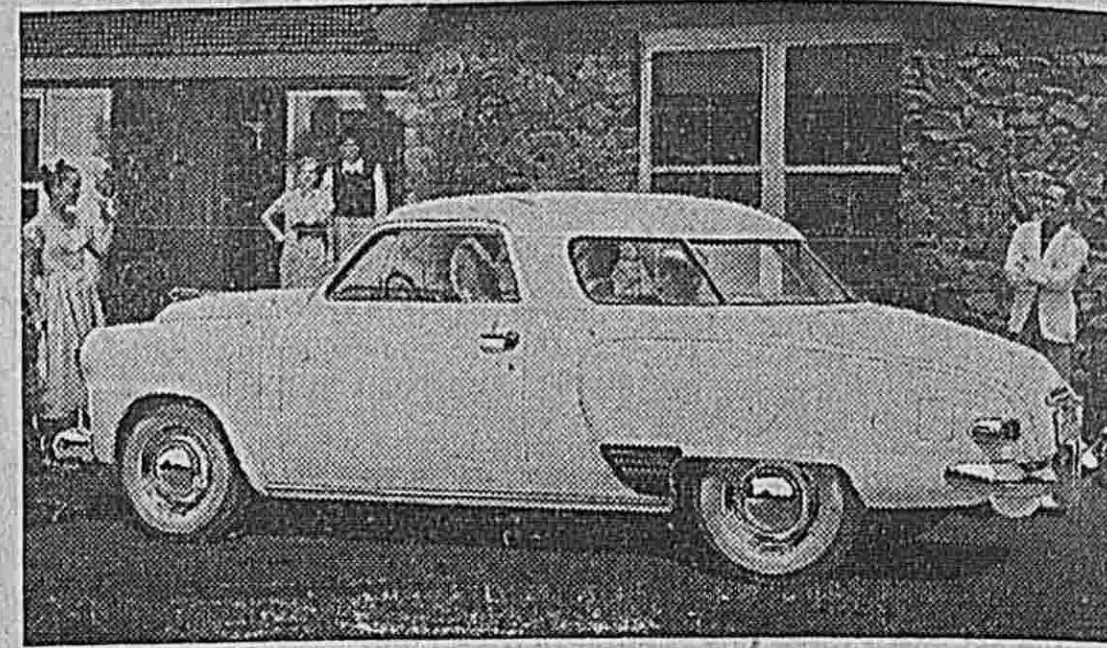

The Central Baptist Children's home on what was formerly the Lehman-Peacock estate at Lake Villa, now has 45 children. The association is seeking \$20,000 to build a new hall to be known as Stewart hall.

THANKS, AMERICA, FOR the biggest half year in Studebaker history!

THE Studebaker buying wave that's sweeping the country grew to huge proportions the past few weeks.

By the end of June, so many people had bought new Studebakers that the biggest half year in all Studebaker history was recorded.

A 1949 Studebaker is more than a new vision of loveliness inside and outside. It brings new thrills that counts, new handling ease and riding comfort into motoring.

WE DELIVER

Amateur Wrestling and Boxing Tomorrow Night At Round Lk. Park Arena

Another top all star boxing and wrestling show will be staged next Friday night under the stars in the Lake County Stadium, Round Lake Park, Illinois. The card features all the successful amateur youngsters who have been winning their matches consistently.

Heading the card will be Don Walker, of Long Lake facing Geo. Duchwarch, of Grayslake. These two boxers have shown enough punching power in their previous encounters to warrant top billing honors.

Bob Vignali, of Lake Zurich and Bob Hogan, of Delavan, Wis., are paired in another thriller on the show. Vignali tests his potent blows against the fighting Hogan of Delavan. Tom Shannon of Diamond Lake meets Ted Bracke, of Arlington Heights.

Jerry Leonard, the Mundelein socker meets Bob Kennedy of Libertyville and Edwin Rostad of Round Lake Beach battles Danny Boyle of North Chicago. The two wrestling matches on the show are under the auspices of the Round Lake Park Men's Club and are sanctioned by the C. A. A. U.

The weekly Friday cards in the Lake County Stadium are staged by the Round Lake Park Men's Club. The Lake County Stadium is ideally situated and the park is so built that every seat in the arena is a closeup of the ring. Fans enjoy sitting under the stars to view these cards and each Friday brings a bigger crowd to the park.

Charles Pagel, 66 Dies In Wilmot

Charles Pagel, 66, Wilmot, Wisconsin, died following a short illness, Wednesday, July 13, at his home. He was born in Wilmot April 10, 1883 on the same farm, where he had lived all of his life.

He was a dairy farmer. Survivors include four sisters, Mrs. Louise Grulich, Salem, Wis., Mrs. Anna Krahn, Bristol, Mrs. Ida Pella, Burlington and Miss Frieda Pagel, of Wilmot. His parents, Fred and Fredrica Pagel, and a sister Minnie Fiegel, preceded him in death several years ago.

Funeral services will be held at 2 p. m. standard time. Saturday from the Strang funeral home, with the Rev. G. Richard Tuttle officiating. Interment will be in Wilmot cemetery. Friends may call at the funeral home after 6 p. m. Thursday.

Four-H Members Observed Keeping Fit Day July 7 At Grayslake School

The Grayslake Grade school was the scene of great activity Thursday, July 7, when 150 4-H club members and leaders attended the 4-H Keeping Fit Day.

The meeting was conducted by Mr. Tom Darnell, a Senior Medical Student of St. Louis University; and Mr. Donald Byer, an instructor of anatomy at the University of Illinois. Mr. Ray T. Nicholas, Farm Adviser; Mrs. Helen Volk, Home Adviser; Miss June Kutil, Youth Assistant; and several 4-H leaders assisted the two specialists with the tests.

The series of tests, in the morning, included the broad jump, 600 yard dash, situps, body measurements, heart check, and others. These tested the physical endurance of each member.

In the afternoon, Mr. Darnell talked to the group on the significance of these tests. He stressed that these weren't only to test the body strength, but to help each member learn how to progress in physical fitness from year to year. He added that one way to do this was to practice these same tests at home every day.

Mr. Byer followed with a demonstration of Tumbling Fundamentals. He was assisted by three 4-H members; Doris Stone, Naomi Brausch and Charlotte Kuebker of the Jolly Bunch Club of Grayslake.

At the end of the meeting, each member received booklets on how to keep fit. They were urged to study these booklets and compare their own scores with the charts shown.

County Near War Bond Goal
Lake county was in 37th position in standing of Illinois counties in the percentage of Series E Savings bonds purchased at the end of June. It has invested \$1,379,895 in bonds or 97.9 percent of the county's quota of \$1,408,000, James F. Stiles, North Chicago, chairman, said. There are more bonds held by investors today than at the end of the war.

Firemen Paint Fire House
While some of the members looked on and gave advice, other members of the Antioch Fire department wielded paint brushes in painting the front of the new fire house Tuesday evening. The coating was white.

It was regular meeting night for the department and only the lack of brushes and standing room kept more from enjoying the painting party. There were no fire calls the week ending 6 p. m. Tuesday.

County Black and White Show Winners to Compete At Mooseheart Saturday

Winners of the county Black and White show at Gages lake yesterday afternoon will show at the regional meet Saturday at Mooseheart, Ill.

The exhibit of Holstein cattle is under the direction of the Illinois Holstein-Friesian association. The show at Mooseheart will include 10 districts from Champaign and Peoria north.

A full day's program at Mooseheart is scheduled. Starting at 9:30 a. m. there will be judging of 21 classes of cattle, a 4-H boys and girls showmanship contest, a noon program of entertainment and a pot luck group lunch.

William Weeks of North Clarendon, Va., will make the placings. Winners will go to the state fair.

Peacock Children's Camp

The Peacock Crippled Children's camp has been opened at Crooked lake on the Peacock estate where a new \$60,000 building has been erected to house the campers. Girls come one month and boys the next month during July and August. Last year the group occupied the Salvation Army camp north of Antioch and before that the grounds now occupied by the Baptist home at Lake Villa.

Lemke Has New Theatre

William Lemke, owner of the Lakes theatre here, opened a new theatre at Round Lake park on Tuesday of this week. The theatre is on highway 134. It will seat 700 persons, and has a "cry room" as well as a soda bar. Costing \$90,000, the building was started last December.

SEEKS PERFECTION

Wright Plans New Theater

HARTFORD, CONN.—A theater where every gesture and tone of voice of the actors on stage can be seen or heard by every member of the audience. . . . A theater where there are no "bad" seats. . . . A theater, which in the opinion of its designer, Frank Lloyd Wright, will be so restful that it will be a pleasure just to sit in it.

This is the theater, that if all goes well, will be built here in Hartford, a city that has made enough money from its insurance and arms manufacturing businesses to afford such community enterprises. At a Hartford club luncheon this week, Wright told leading townspeople and visiting theatrical lights what the proposed building would do for them and for culture in general.

Gray But Sprightly

The Wisconsin born architect, gray but still sprightly at 79, declared that the legitimate theater, unless it mended its ways, was not long for this world. But with playhouses such as the one proposed, for Hartford scattered about the country, he went on, the stage would be given the intimacy and excitement that it now so sorely needs.

"We want to have the kind of a theater that can belong to a community, not simply be imposed on it," he declared.

The Hartford venture, to be called the New theater, has been commissioned by Paton Price, director for the last two years of the Canton summer theater near Hartford, and two associates. Price plans to organize a professional resident company for the new playhouse, offering both winter and summer seasons.

As illustrated by a scale model Wright brought with him from Texas, the proposed theater will be built on simple functional lines. The eight-sided main auditorium will seat the audience on a gradual downward slope, with the slightly raised stage at the bottom. There will be no balcony and no posts. The stage itself will be circular, with the inner portion revolving for quick scene changes.

Viewers' Enthused

Theatrical people who viewed the model were enthusiastic. Cornelia Otis Skinner, declaring that the road has been dying partly because of a lack of suitable theaters, said, "All of us are going to be keen to play in the new theater here."

Two possible obstacles were seen by some theater spokesmen, however. The circular stage would make different type of sets necessary, a drawback for touring companies. And the proposed seating capacity, which Wright wants to hold to about 750 to insure the "intimacy" of atmosphere he is striving for, might not be enough to attract top flight road shows.

Wright contended, however, that the smaller seating capacity—about 500 less than most Broadway playhouses—would be compensated for by simpler scenery arrangements which would require less expensive equipment and personnel.

Expert Says Man Must Turn More to Ocean for His Food

AUCKLAND, N. Z.—Man must turn more to the ocean for food to survive, Dr. J. L. Kask of the United Nations food and agriculture organization told the Pacific Science Congress.

"The ocean is man's next frontier—it may be his last," the speaker told the congress, holding its first session here since the war.

He said that the Pacific Ocean, which covers more than one-third of the world's surface supplies less than half the world's fish supplies. There was sufficient evidence of untouched stocks of fish to warrant the United States government in appropriating a million dollars this year to investigate the fisheries of the Central Pacific, Dr. Kask said.

Most fishing has been done in relatively shallow waters, the speaker explained. Echo sounders found huge schools of edible fish at considerable depths. He urged wise exploitation of fishery resources and elimination of wasteful, cutthroat competition.

MILLBURN

Rev. L. H. Messersmith has chosen "The Kingdom We Seek" as the sermon topic for Sunday, July 17.

July 31, is Millburn Home Sunday. Invite your friends to attend church at 11 o'clock and remain for a pot luck dinner, followed by games and visiting with your friends.

Bible school closed Friday with a program and display of hand work. Fifty-six were enrolled with average attendance of 50.

Mr. and Mrs. Joseph Strohal were dinner guests at the home of their cousin, Mr. and Mrs. Charles Spaninger in Chicago Sunday.

The Millburn Maidens 4-H club enjoyed a tour through the Zion Cookie Factory Monday morning, followed by a picnic dinner and recreation at Dunes Park. Twenty-three girls took the trip.

Rev. L. H. Messersmith took Suzanne Groves and George Swenson to Chicago Friday, where they joined the group of Senior high students, who went by train to Sawyer, Mich., to attend a week's conference at Tower Hill.

Benjamin Blink, of Highland, Ind., is spending a few days with his sister, Mrs. Jacob Kaluf.

Mrs. Nellie Murrie, of Russell, spent the past week at the Will Bonner home on Grand Ave.

Mr. and Mrs. Harry Horning, of Jackson, Mich., spent Wednesday and Thursday with Mr. and Mrs. Oscar Neahous.

Rev. L. H. Messersmith heard the marriage vows of Miss Lila Mae Frazier, of Grayslake, and Louis J. Lynn, of Round Lake Park at the Congregational church in Grayslake Saturday evening.

Mr. and Mrs. Charles Lucas spent Sunday evening with Mr. and Mrs. Enoch Halverson in Chicago.

Mr. and Mrs. Tom Conville and children, of Elburn, Ill., and Mrs. Fred Sinclair and daughter, of Cheyenne, Wyoming, were callers at the J. S. Denman home Tuesday evening.

Wildor Smith and sisters, of Hebron, spent Sunday afternoon at the Savage home.

Donna and Barbara Kane, of Diamond Lake, are spending a few days with their grandparents, Mr. and Mrs. J. S. Denman.

Mr. and Mrs. Roy Bonner and children spent Sunday at the A. N. Truax home at Elkhorn, Wis.

Mrs. Eva Alling, of Waukegan, spent Tuesday evening at the Frank Edwards home.

Rev. L. H. Messersmith left Sunday evening for East Lansing, Mich., where he is attending a Rural Pastor's school this week.

Mrs. Fred Sinclair and daughter of Cheyenne, Wyoming, was a guest at the Frank De Young home from Tuesday until Sunday. Mrs. Sinclair was formerly Miss Marion Johnson. Mr. and Mrs. John Edwards and family, of Libertyville, were supper guests at the Frank Edwards Wednesday evening.

Rebecca Anderson is spending a week at the home of her uncle, Dr. W. G. Bauman in Barrington.

Mr. and Mrs. Clarence Hauser, of Paris Corners, spent Sunday evening at the Frank Hauser home.

Mr. and Mrs. Howard Bonner and sons spent Sunday evening at the Dr. Bauman home in Barrington. Mr. and Mrs. Robert J. Bonner, of Kansasville, Wis., were supper guests at the Gordon Bonner home Sunday evening.

HICKORY

Mr. and Mrs. Roy Heydecke, of Waukegan were visitors at the Earle Crawford home Monday evening.

Mr. and Mrs. Bert Faram and son Chester from Watervliet, Mich., paid Mrs. Will Thompson a surprise visit on Friday morning. In the afternoon they called at the Wilbur Hunter home and on Mrs. Wm. Gerber and Mrs. M. E. Van Patten. It was over twenty years since Mrs.

Faram visited Hickory relatives. They returned to Lake Geneva, Wis., in late afternoon where they were visiting other relatives.

Mrs. Edith Bradley, of Dearborn Michigan drove out from Chicago Wednesday morning and had lunch with her cousin, Mrs. Wm. Thompson. Then she visited Mrs. M. E. Van Patten and children until Friday afternoon.

Mr. and Mrs. A. P. Wells, of Waukegan, were Sunday afternoon visitors at the Earle Crawford home.

Mrs. H. A. Tillotson returned home Saturday afternoon from a visit with her daughter and family at Port Washington, Wis. Mrs. E. W. King spent Thursday at the G. A. Lange home in Hebron.

Friendship

With Dog Proves Trap

NEWARK, N. J.—Friendship with a dog led to a youth's arrest on charges of having robbed on three occasions a shoe shine parlor at 352 South Orange avenue. The owner, Julius Simoni, told Newark detectives that he was puzzled by the thefts because his German shepherd dog, which guarded the store, always repulsed strangers.

Investigation disclosed that Harold Leshock, 18 years old, of 343 South Ninth street, was on unusually good terms with the animal. Admitting he was away without leave from Camp Kilmer, Leshock confessed the theft of cigarettes and cigars valued at \$62, the police say.

Commenting on his relationship with the dog, which had even given detectives trouble, Leshock said:

"He never bothered me. I 'conned' him without even giving him meat."

Scours in Baby Pigs

Simple scours in baby pigs can be traced to filth on the sow's udder, to improper feeding of the sow, or to chilling of the pigs due to a sharp drop in temperature.

"Listen, I don't joke about the budget."

"You really mean it costs only 8c a day to operate an automatic GAS water heater?"

"That's right! We have all the hot water we want every day whenever we want it... and it costs less than half a pack of cigarettes."

"Brother, that's really worth knowing. We're always running out of hot water at our house... and

Marge says she never gets through the laundry without stopping to wait for more hot water."

"We used to have that trouble, too. But not any more. And Jim, the best part about an automatic GAS water heater is you never have to go near it after it's installed. No more early morning trips to the basement for me."

"Oh, don't remind me of my troubles. It seems I spend half my evenings coaxing our water heater so there'll be enough for baths."

"Why don't you look into automatic GAS water heating? I wish we'd had ours years ago!"

"Believe me, I'm going to! Who do I see?"

"Oh, your master plumber, appliance dealer, or nearest Public Service store. Any of them can help you."

So Much for So Little with an Automatic **Gas** Water Heater

The convenience of automatic GAS water heating costs only about 8¢ a day... less than the price of half a pack of cigarettes.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

Uncle Sam Says

More than 200,000 newspaperboys are demonstrating the "Spirit of America" this month by distributing 12 million U. S. Savings Bonds folders to as many American homes. They will be carrying opportunity right to your door, calling attention to the U. S. Savings Bonds "Opportunity Drive" May 16-June 30. They will explain how you can turn \$75 into \$100 in only ten years and how easy it is to enroll on either the Payroll Savings Plan where you work or if self-employed, the Bond-a-Month Plan where you bank. However you arrange it, you win either way. Enroll NOW.

U.S. Treasury Department

Wheat Straw
The department of agriculture is developing a paper pulp which soon may be made on a large scale from wheat straw, a large part of which for years has been burned.

Pattern Making Wood
Sugar pine is a favorite wood in industrial pattern-making.

Hagfish
Hagfishes, slimy eel-like creatures, are said to be able to eat several times their own weight in a few hours.

Ice Cream
About 200 million gallons of milk are used annually by the ice cream industry in more than 4,000 plants.

Beaver State
"The Union," is the motto of Oregon, and the Oregon grape is the official flower. Western meadowlark is the Oregon state bird.

Ponderosa Pine
Ponderosa wood is light in color, varying from creamy white to straw.

Lard from Fat
One hundred pounds of fat yields approximately 80-85 pounds of lard.

Customers' Corner
How do you like the fresh fruits and vegetable department in your A&P store? Are the vegetables fresh and crisp — as they should be? Are the fruits firm and ripe — as they should be? Are the clerks neat and orderly — as they should be? Are the clerks helpful and courteous — as they should be?

"We maintain buying offices wherever and whenever fresh fruits and vegetables of top quality are available. We rush this produce in refrigerated trains and trucks to our warehouses and stores. We price it to sell quickly and we inspect it constantly all along the line for any sign of deterioration. In other words, all our efforts are aimed at offering you only the finest and freshest fruits and vegetables. If we ever fail to do this, we will consider it a favor if you will tell us about it. Please write: Customer Relations Department, A&P Food Stores, 420 Lexington Avenue, New York 17, N. Y."
